The Vincentian

JUNE 2024 • Edition 2

The Second Edition of The Vincentian for 2024 is Here!

Welcome to the June edition of the Vincentian.

This issue features a report from the recent Social Justice Forum and the 90th anniversary celebrations of St Michael's Conference Nowra.

Take a walk down memory lane with Ivor Davies' charming reminiscences of member life in the Society as we celebrate his Life Membership award.

Assist a Student's overseas impact shines a light into this important pillar of our twinning program.

We are pleased to share advance notice of forthcoming Society Insight Forums coming together in regional locations to catch up and share insight into the Society's impact, direction and major projects.

Finally, we congratulate all members who received honours on the King's Birthday Honours list, especially Anne Stanfield AM, on her appointment as a Member of the Order of Australia.

Thank you again for your support and dedication.

SPOTLIGHT ON:
